You create your evaluation on the right side using the buttons. Activate all items (strongly rounded buttons) when they are mentioned by the candidates. They trigger a light blue flashing that can assist in the evaluation.

Abschliessen

- Conclude the evaluation by clicking the "Bewertung abschicken" button (below the video or at the bottom of the page).
- Only complete ratings can be submitted. Incomplete ratings will be highlighted in red.
- After your confirmation, you can no longer change the rating.
